## Products & Services

We Supply For Oil & Gas...

We are a supplier serving the Oil & Gas, Power Generation, Petrochemical, Marine, Fertilizer, Industrial, Electrical & Electronics, Mechanical & other related industries, servicing our customers who have a requirement for:

- Parts that have been used for a long time & may have become obsolete.
- Parts / Machinery / Equipment / Tools that are hard-to-find / Purchase.
- Components that were bought together with a main machine and not found separately easily.
- Regularly replaced fast-moving removable, needed readily, yet inventories could not be stored at job-site.
- Consumables that needed replacement readily once worn-out, due to high downtime costs.

# CHAMPION SPARK PLUG
